**We have a new logo!**

We are proud to introduce our **new logo** for **Allies for Health + Wellbeing**.

Several components in the logo combine to connect as a symbol of Allies' past, present, and future. The A in Allies, now a shade of brilliant blue, remains the same as the one in our former logo, while the red heart and plus sign reference our expansion into healthcare as well as our continued commitment to serving people living with HIV/AIDS.
