COVID-19 resource list

Allegheny County Health Department
https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/COVID-19.aspx
WHAT DOES THIS SOURCE HAVE? A 24/7 hotline number (with translation services available) for any COVID-19 questions, general information for Allegheny County residents, a "Rumor Control" page that addresses current rumors about COVID-19.

Allegheny Health Network
https://www.ahn.org/coronavirus
WHAT DOES THIS SOURCE HAVE? Basic information about COVID-19 as well as information on virtual doctor visits and a nursing hotline.

Centers for Disease Control and Prevention
https://www.cdc.gov/coronavirus/2019-ncov/index.html
WHAT DOES THIS SOURCE HAVE? Guidelines from the U.S. government on the coronavirus and COVID-19, including symptoms; information for people from all walks of life on how to protect themselves and their loved ones; updates on how the disease is spreading and where

CDC info on COVID-19 and people living with HIV
https://www.cdc.gov/coronavirus/2019-ncov/specific-groups/hiv.html
WHAT DOES THIS SOURCE HAVE? Information for people living with HIV on their risk for contracting COVID-19 as well as measure people can take to protect themselves.

COVID ACT NOW
https://covidactnow.org/
WHAT DOES THIS SOURCE HAVE? This website maps out the preventive actions taken by each state in the U.S. By clicking on your state, you can see how these protective measures can slow the rate of COVID-19 infection based on the number of available hospital beds, and the point at which hospital systems may become overwhelmed if no or limited preventive actions are taken.

Johns Hopkins University Coronavirus Research Center
https://coronavirus.jhu.edu/
WHAT DOES THIS SOURCE HAVE? In addition to general information about COVID-19, the site includes an interactive map with statistics on the spread of the disease throughout the world.

HIV.gov – Coronavirus and people with HIV
https://www.hiv.gov/hiv-basics/staying-in-hiv-care/other-related-health-issues/coronavirus-covid-19
WHAT DOES THE SOURCE HAVE? Links to resources from the U.S. federal government about HIV and COVID-19. Includes a section on mental health.

Local news – TV, print or radio
WPXI https://www.wpxi.com/, WTAE https://www.wtae.com/, KDKA https://pittsburgh.cbslocal.com/, Pittsburgh Post-Gazette https://www.post-gazette.com/, TribLIVE https://triblive.com/
WHAT DOES THIS SOURCE HAVE? Information about COVID-19 and its impact locally – what businesses are open or closed, travel restrictions, resources available to the public, information on how local healthcare systems and public services are responding.

National Domestic Violence Hotline
https://www.thehotline.org/2020/03/13/staying-safe-during-covid-19/
WHAT DOES THIS SOURCE HAVE? Information for victims of domestic violence on how to stay safe during the spread of COVID-19

Pennsylvania Department of Health
https://www.health.pa.gov/topics/disease/coronavirus/Pages/Coronavirus.aspx
WHAT DOES THIS SOURCE HAVE? State efforts, resources and data on COVID-19

Pennsylvania Coalition Against Domestic Violence
https://www.pcadv.org/coronavirus-covid-19-resources/
WHAT DOES THIS SOURCE HAVE? Safety information and hotline numbers for victims of domestic violence

UPMC

https://www.upmc.com/coronavirus

WHAT DOES THIS SOURCE HAVE? In addition to basic information about COVID-19, the UPMC site has a link to the UPMC AnywhereCare – virtual doctor visits – and information about how and where UPMC is testing for COVID-19.

The World Health Organization

https://www.who.int/health-topics/coronavirus#tab=tab_1

WHAT DOES THIS SOURCE HAVE? Information about COVID-19 and its impact on health all over the world; updates on the response in other countries, ongoing statistics and news about COVID-19 throughout the world
